Dear Gray; ARE WE HUMANS ALONE IN
THE ENTIRE UNIVERSE?? IS THE VERY
MOST UFOLOGICAL and REAL SCIENTIFIC
& also RELIGIOUS question in the
crux of controversial argument
TODAY. The ~~61~~ sixty one pages of notes
& articles AS a BASIS for a "PAPER" to
be entitled; "ON EXISTENCE" that
I sent you last month gives too
much evidence of an ACCEPTABLE to
Both science and ufology (& religion)
that LOGICALLY mankind is NOT alone
in the universe. The which evidence
really should & WILL CHEER all UFOLOGISTS -

in EVERY civilized nation EVERY
For I use SCIENCE & SCIENTIFIC
& SCIENCE KNOWLEDGE & SCIENTIFIC
LOGIC & SCIENTIFIC METHODOLOGY
KNOWN & PROVEN-VALID SCIENCE
THEORYS AS MY "VEHICLE" for
ADVANCING & VALIDATING AS CORRECT
THE ANSWER to: "ARE WE ALONE
That answer of mine is an answer
Both RELIGION and SCIENCE have
been seeking PROOF to for OVER
THREE CENTURIES & IT IS MINE. Carlos
