

ANOTHER OF CARLOS ALLENDE'S UNUSUAL LETTERS, THE
WHICH I FORWARD ON TO YOU - WITH HIS SKETCH FOR INCREASING

Dear Professor Culver: -

Twenty five years ago UNDER-SEA CITIES, Civilizations MORE than one HUNDRED-thousands of years OLD (100,000 YRS. OLD) Propulsion Systems permitting travel to the new Worlds orbiting relatively distant STARS, The mere thought of WAVES of civilization, I.E. civilization after civilization after civilization rising and falling from levels of scientific and technology that in reality were, in some respects, evidently & obviously SUPERIOR to that of our own ...even superior to our PRESENT day civilization,, the knowledge of propulsion systems so advanced that if, (IN THAT now long PAST time era) it were not "KNOWN" that UFO's could not possibly ever EXIST, then such truly advanced Propulsion methods & means could most certainly be perceived as the verymost PROBABLE types propelling UFO's. BUT, of course "EVERYBODY" just simply "KNEW" that EXTRA-terrestrial civilizations just simply could NOT and so THEREFORE did not exist...Why the bare thought was as preposterously sillily ridiculous as ,HAW?HAW? HAW "" going to the MOON. The "apparent" and total "IMPOSSIBILITY" of ANCIENT peoples actually USING quite HIGHER MATHEMATICS than mere child's arithmetic in such actual SCIENTIFIC work as highly complicated (for such PRIMITIVE SAVAGES) basic ASTRONOMY & Civil Engineering,,,The "CRADLE of civilization" was and could solely & only be the Tigris-and Euphrates river valleye, (the mere thought of a COMPETING civilization in Asia was simply so very much "UNTHINKABLE" that none bothered to THINK...about it at all. Columbus was ,forever, the sole & only discoverer of America and the FIRST, earlier CHINESE and POLYNESIAN & PHOENICIAN & CARTHAGINIAN & VIKING & IRISH discoverers of America whom PRECEDED Columbus were mere MYTHS, & then but merely UNPROVEN sagas. Ancient SUMMERIA had brought civilization to the men of earth and every body was positively certain that ,even though carved into stone pillars all along the old border between ancient ASSYRIA & Summeria, the bitter, angry, ANGRY statement that, (written by the assyrians, the summerians worst ENEMIES) the Summerians could "NOT POSSIBLY" have come from anothercivilization and an EXTRA-TERRESTIAL civilization at that ...as the ~~xxx~~ ANGRY ,bitter begrudging statement in stone so very clearly stated, ("IMPOSSIBLE" because WE did not have outer-space TYPE propulsion systems...and so THEREFORE, NO "OTHER" civilization ever had the MEANS to arrive here on Earth from an MUCH OLDER Stars world civilization.) EINSTEIN'S "TOO hastily & SO?SUSPICIOUSLY, withdrawn SECOND "UNIFIED FIELD THEORY was "KNOWN" to be TOTALLY INVALID",,,Force-fields throughout the ENTIRE Universe THEREFORE, were (THEN) a totally absurd notion that had, & "evidently" FAILED" & ESO's Quasars, Black Holes, truly INVISIBLE stars were "NATURALLY" IMPOSSIBLE & that enigma SCIENCE was smugly and ~~absolutely~~ absolutely CERTAIN that NONE of these things could EVER come to exist, be validly PROVEN to exist, have any VALIDITY, & mankind was "KNOWN" to be "THE SOLE & ONLY INTELLIGENT SPECIES in the UNIVERSE & IN OTHER EQUALLY SMUGLY SELF-BLINDED EYES, God was an ENGLISHMAN and the EARTH could NOT EVER EXPAND & EXPAND AND EXPAND UNTIL...IT?LIKE OTHER PLANETS?EXPLODED.

Then along came Dr. Morris K. JESSUP and his annotative & dramatizing collaborator with the funny sounding FOREIGN name of Carlos Miguel Allende & DRASTICALLY but (in MY case) quite SECRETLY.....CHANGED MOST of all these things .

The world ~~AND~~ the UNIVERSE has not been the same since their arrival on the scene.

EVERYBODY simply "KNEW" that COMMERCIAL PASSENGER JET PLANES would NEVER cross the OCEANS and my own statement that (IN MY ANNOTATIONS) "The making of this THE MAKING OF THIS CROSS REQUIRED THE USE OF HIGHER MATHEMATICS"-unquote of an rough quote...that statement was greeted with GALES of LAUGHTER by OLD Proffs . YET today no body bothers to do aught but ACCEPT my statement as KNOWN FACT.

But there is a MYSTERY here...for EVERYBODY commonly "KNOWS" I myself do NOT have "ANYTHING MORE...THAN A MERE PUNY NINTH GRADE EDUCATION".

THEREFORE, twenty five years ago I MYSELF COULD NOT (logically) HAVE WRITTEN all those annotations in Dr. Jessups Book , "The Case FOR The UFO" YET I WAS EVIDENTLY 12 TWELVE P.T. CENTURIES AHEAD OF SCIENCE IN TOO MANY DISCIPLINES. HOW??
AS YOU'VE SEEN THESE PAST 9 MONTHS, AHEAD STILL YET TODAY??

DEAR DOCTOR ~~CULVER~~, THIS DEGREE IS VALID ONLY ON THE FOLLOWING CONDITIONS;

#1 . THAT... the Einsteinian, Gamovian, De Severskian, NASA-ian, University of Michigan (STATE U. ???) AND the ALLENDIAN COMBINATIONS of these herein mentioned types, kinds & sorts of Propulsion Methods, means & systems, (explained in my writings the past academic year) DO most certainly have the very highest PROBABILITY of (WHEN COMBINED WITH , , , , , A) ... AN ATOMIC (MINIATURIZED) electric power producing Plant of portable mass-Volume size. B) OR WHEN COMBINED WITH A MINIATURIZED BREEDER-REACTOR (NUCLEA R) AS MAIN, PRINCIPAL ELECTRIC POWER SOURCE OR .. C) when COMBI COMBINED with my own personally invented, "ELECTRIC POWER INCREMENTING SYSTEM FOR ALL ALL SIZES AND TYPES OF VEHICLES & EDIFICES" .. (THE WHICH IS ENCLOSED HEREWITH) ~~Yes, No~~

→ THE VERY HIGHEST PROBABILITY OF BOTH POWERING AND ALSO PROPELLING GREAT & TINY SIZES AND SUPER-COLLOSSAL SIZES OF SPACE VOYAGING VEHICLES THUS ENABLED TO CARRY MANY PASSENGERS TO NEW, HABITABLE, WORLDS... CIRCELING NEAR AND FAR STARS.

2 THAT THESE SELF-SAME DEEP-SPACE VOYAGING ARKS ARE THUS ABLE TO RETURN TO EARTH.

#3 . THAT A GREAT FLEET OF SPACE-ARKS MOST CERTAINLY & SURELY CAN, WHEN BUILT, TRAVEL AT VELOCITIES EQUAL TO OR, FAR MORE PROBABLY, GREATER THAN PHOTONIC VELOCITY.

#4. AND THAT THEREFORE WHEN THIS ULTRA-NUMEROUS FLEET OF SPACE-ARKS CARGO-PASSENGER HOLDS HAVE SUCCESSFULLY DELIVERED THEIR NEW-WORLD-COLONIZING PASSENGERS TO THEIR NEW HOMES ON A NEW WORLD..... THOSE MANY HUNDREDS OF THOUSANDS OF CARGO HOLDS CAN AND QUITE SENSIBLY & VERY WISELY BE FILLED WITH GOLD, SILVER, "WHITE" GOLD (PLAT.) AND PRECIOUS VA LUEABLE JEWELS , URANIUM AND EVEN FILLED WITH THE "BLACK" GOLD OF CRUDE OIL PETROLEUM & THE "BLUE" GOLD OF TITANIUM , CADMIUM, LITHIUM & ALL VERY RARE AND HIGHLY VALUEABLE & THUS PROFITABLE RARE-EARTH METALS FOR RETURN-TRIP CARGO PROFITS.

#5. AND THAT... THE LONG AGO PRIORLY DEMONSTRATED-TO-BE-PRACTICALLY-FUNCTIONAL EINST EINSTEINIAN BRIDGE-TUNNEL PROPULSION METHOD & SYSTEM MAKES ALL THE ABOVE QUITE VERY FEASIBLE.

6. & SO, AT LAST, THAT IT IS SEEN THAT, THROUGH THE EXISTENCE OF ALL THESE QUITE SCIENTIFICALLY BASED, LAWS OF PHYSICS BASED, PROPULSION SYSTEMS MANKIND NEVERMORE NE NEEDS TO GO TO WAR OVER, EITHER, THE WORLDS GROSS OVER-POPULATION PRESSURES PROBLEM NOR OVER LACK OF MINERALS, METAL ORES NOR OVER LACK OF CRUDE OIL PETROLEUM, AND FOR CERTAIN NOT WAR OVER LACK OF LIVING-AREA (LIBENSRAUM, HITLERS EXCUSE FOR MILITARY WAR,)

#7 BUT ALL MANKIND IS FREE OF FEAR OF WAR ONLY WHEN A SUPER-VAST FLEET OF SPACE-ARKS ARE BUILT.
