Dear Ms. Genzlinger:

This is in response to your letter of 4 October 1977, in which you requested information regarding an alleged "Philadelphia Experiment" under the Freedom of Information Act. A review of our records indicates that all we have on the subject are xerox copies of two letters sent by Carl M. Allen (Carlos Miguel Allende) to Dr. Morris Jessup and a fact sheet which explains the non-involvement of the Office of Naval Research in that project. These documents are releasable under the Freedom of Information Act and will be sent to you upon receipt of your check, made payable to the Treasurer of the United States, for \$2.10, which represents the search and duplication costs associated with your request, as computed in accordance with title 32, section 701.40 CODE OF FEDERAL REGULATIONS. The check should be mailed to:

Office of Naval Research
Code 100L
800 North Quincy Street
Arlington, Virginia 22217.

Sincerely,

JOHN N. FORD
Freedom of Information Officer
